

Energy Star Lighting Rebate Program

HOW TO APPLY

1. Read the Terms and Conditions found on the Rebate Application Form. Funding is limited. Applications will be accepted on a first come, first-served basis. Please call us at **218-386-1873** to make sure rebate applications are still being accepted and funds are still available before submitting your application. This program shall at all times be subject to change or termination without prior notice.
2. Go to the store and purchase the qualified products or hire a contractor to install the equipment. If a qualifying product list is available, you must choose from that list. To view current lists of qualifying products, visit the energy star website at www.energystar.gov.
3. Install the improvements yourself or use a contractor of your choice. Some products may require a licensed contractor to install. Most qualified product must be purchased and installed between January 1 and December 31 of the year desired for rebate. However, please be aware, this purchase and install period will end earlier if funds are depleted.
4. After the improvements are installed, complete the Application Form and all applicable Rebate Forms. ***Mail the completed forms along with copies of your itemized paid receipt(s) or paid contractor invoice(s) with manufacturer name(s), model number(s), and any other required documentation to:***

City of Warroad
Rebate Processing Center
PO Box 50
Warroad MN 56763
218-386-1873

5. This program may end on December 31 or sooner if all allocated funds are spent before that date. All applications must be postmarked by December 31 of purchase year to be considered eligible for a rebate.
6. Make and retain a copy of all materials including application and rebate forms and paid receipts.
7. If all the above criteria are met and verified, you should receive a credit on your utility bill within 6-8 weeks. For questions, call 218-386-1873.

Terms and Conditions

1. To be eligible for this rebate, I understand that I must be a residential customer with an active meter serviced by a participating utility and that I am only eligible to receive rebates for energy-efficient products designed to reduce the demand and/or consumption of the energy distributed to the installation address by the utility.
2. I understand the rebate offer is limited to City of Warroad customers for their use. The energy-efficient product must be installed in a dwelling or business within the participating utility's service territory.
3. I understand the program term is January 1 through December 31 each year or sooner if allocated funds for the participating utility are depleted. Applications are accepted on a first come, first-served basis. The program may be modified or terminated without prior notice.
4. I understand the product(s) must be new and installed in my home by December 31 of purchase year or earlier if program ends due to depletion of funds. Resale units, units leased, rebuilt, rented, won as a prize, or new parts installed in existing units do not qualify.
5. This application signed and dated, a copy of the paid receipt or invoice, and other required documentation on the rebate form must be postmarked by December 31 of purchase year to be eligible for payment of a rebate. The rebate will be paid in the form of a credit on customers utility bill within 6-8 weeks after application approval.
6. I will allow, if requested, a utility representative reasonable access to my home to verify the installed product I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse a verification inspection.
7. I understand the energy-efficiency level of the qualifying product determines the rebate amount. The rebate amount cannot exceed the purchase price.
8. I agree that the selection, purchase, and installation and ownership/maintenance of the product(s) and measure(s) listed in this application are my sole responsibility, and that my supplier or installer of these products and measures is not an agent or representative of the participating utility. **I also understand that the utility makes no warranty whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use, or application of the products or measures.** I agree that the participating utility has no liability whatsoever concerning (1) the quality, safety, and/or installation of the product(s) or measure(s), including their fitness for any purpose, (2) the estimated energy savings of the products or measures, (3) the workmanship of any third parties, (4) the installation or use of the product(s) or measure(s) including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the City of Warroad Energy Star Rebate Program. I agree that in no event shall the utility's liability for property loss or damage resulting from its activities under this application exceed the total rebate amount paid to me under this application.
9. I am responsible for meeting all program requirements and complying with my state/county/city governments, property owner and/or homeowner's association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules, and regulations prior to installation.
10. If a tenant, I am responsible for obtaining the property owner's permission to install the measure for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.
11. I understand that the utility is not responsible for items lost or destroyed in the mail/transit.

Energy Star Rebate Form

Please complete and mail in this Rebate Form with your completed and signed Application Form and a copy of your paid receipt or invoice.

LED LIGHTING INFORMATION

Purchase and install LED lighting in your home or business in 2024 and you could receive an incentive. ENERGY STAR® qualified LEDs last 15 times longer than incandescent lighting and use 70-90 percent less energy, saving you money. Go to www.energystar.gov for a list of qualifying products.

Rebates of over \$1,000 must be pre-approved. Contact City Superintendent prior to submitting application. Minimum rebate amount is \$20.00 (Allow 6-8 weeks for rebate amount to be applied)

Purchase and install LED lamps (not CFL) and/or new fixtures in your home or business and receive one of the following incentives:

- a. LED replacing 40W-60W incandescent bulb - 50% of the purchase price, up to \$2/bulb
- b. LED replacing 65W or greater incandescent bulb - 50% of the purchase price, up to \$4/bulb
- c. Completely new LED indoor fixture – 50% of the purchase price
- d. Completely new LED outdoor fixture – 50% of the purchase price
